

# Notice of Temporary Bridleway closure, Small Dean Lane

May 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

This notice is to inform of a change to a temporary bridleway adjacent to Small Dean Lane.

In 2022, as HS2 works progressed, a temporary bridleway was provided due to the closure of Small Dean Lane, the idea being to maintain public access as much as possible during the HS2 works. We are now at the stage where construction works are about to take place in the vicinity of the temporary diversion, resulting in the need to close the bridleway.

The map on the following page shows the details of the closure and identifies the alternative footpath and bridleway route that provide access from the Wendover area using Bacombe Lane to access countryside to the west of HS2 works.

## When will these works take place?

**Monday 13 May 2024 – Monday 1 September 2025**

These dates may be subject to change due to circumstances outside of our control but will be completed on or around the timings specified.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
